Welcome to the January 2018 NYINC Auction

The World Currency Department of Stack's Bowers Galleries is elated to offer the catalog for our flagship 2018 January New York International Auction, held at the Grand Hyatt Hotel in New York City. Since New York City is known to always have the best of the best, we do everything we can to ensure we deliver to you a sale that includes fresh, and exciting material each time we host an auction here. Therefore, with the help of our industry leading Consignment Directors, and our ever growing clientele, we have put together a sale worthy of being offered in New York. A few of the most scarce notes in the World Paper hobby can be found within this catalog, with some being the finest, and in a few cases the only notes known for their type.

One of the areas which some of these scarce pieces hail from is British Honduras. We are offering an Issued 1894 1 Dollar Type 1 note that comes directly from the family of Albert E. Morlan, American Consul in Belize City in the 1890s. We are also offering a 5 Dollar Specimen from the same series which should equally excite collectors. Both of these pieces are excessively rare, and are the finest examples we have seen or know of in their respective types. We would like to extend our gratitude to Pablo Hoffman, of Nuevo Mundo World Paper Money, for sharing his extensive knowledge of British Honduras that aided the cataloguing of these special highlights.

We have a very strong showing in Canada, with a pair of Bank of Canada notes in gem, with Serial Number 9, along with many rare charter and private bank notes that include a Union Bank of Canada 50 Dollar note. We are also offering a very strong Australian assortment of notes led by a 6 Pence note and a 2 Shillings note from the Camp Hay Internment Camp Seven.

Some other highlights include a very scarce Puerto Rico 5 Pesos from 1896 in VF 25 condition. This is the finest certified example of the type according to the PMG census. Other exciting notes we are offering include a first issue Solomon Islands 10 Shillings from 1921, and a very scarce 1906 500 Pesos from the Philippines Islands. Along with that high denomination rarity, we are also offering the large size 100,000 Piso, and a grouping of VICTORY notes in both specimen, and replacement form. This grouping will be offered as individual lots.

As mentioned earlier, words do not adequately express our excitement of this offering. We expect this to be a collector driven auction along with many eyes from overseas closely watching that will make this sale a huge success. As always, we thank you for your interest in our auction, and hope you will not hesitate to reach out to us if you have any questions regarding the lots offered here.

With Appreciation,

Aris Maragoudakis

Internment Camp, Hay-Camp Seven Bank Notes

Internment Camp Hay, Camp Seven Bank. World War II. The offerings in the following two lots were issued for use within Internment Camp, Hay. This series was printed in three denominations; Six Pence, One Shilling, and Two Shilling. With most pieces Stamp Cancelled, or destroyed, very few survivors exist. Of those, seldom are available lightly circulated and fully original like the pieces we are offering. These two, to our knowledge, are the finest certified examples.

These notes are designed by George Teltscher, who is also the designer of the Austrian Schilling coin of 1934. Both notes show a Merino Ram enclosed by a shield, that is then flanked by a Kangaroo and Emu with a ribbon below that reads "Camp Seven Bank." When looking at the Ram's fur, noticeable is Camp leader Andrew Eppenstein's last name engraved in the coat.

In addition to the hidden "Eppenstein" engravings in the ram, the notes also include additional hidden messages. WE ARE HERE repeats in the barbed wire that surrounds the notes which was the theme song of the Internment Camp. At left of the Kangaroo, secretly written, is the ship name H.M.T Dunera, which was the ship that transported the detainees from Liverpool to Australia. At right of the Emu vignette Liverpool to Hay appears to be written in the fence signifying the journey taken by the detainees.

On the reverse, 25 more rams appear to commemorate the 25 huts in the camp bearing the number 7(Camp Seven), in addition to the names of the hut leaders inscribed in their wool. Some collectors argue these are just prominent internees and not necessarily hut leaders. "THIS NOTE IS VALID ONLY WITHIN THE BOUNDARIES OF CAMP SEVEN INTERMENT CAMP HAY" is printed in bold on the reverse along with "The Bank is under no obligation to honour this Note if presented by Holders outside of this Camp." in italics.

These notes were printed by Harry Byers in the newspaper, Riverine Grazier's, printing station. It is believed that of the series that produced around 9,000 total pieces in total, only 200 survived.

Banco de Portugal. 10 Mil Reis Ouro, 30.1.1905. P-11. B110. Locating any denomination from this scarce issuer is difficult, and typically these higher denominations are only seen in lower states of preservation. Still visible embossing of the serial numbers is observed which leaves us puzzled as to why an EPQ designation was not applied. Remarkable 1894 One Dollar British Honduras Note

BRITISH HONDURAS

Government of British Honduras. 1 Dollar, 1894 Issue. P-1. Only a note this important can get us this excited! SBG presents this first issue British Honduras One Dollar note in its first ever public offering. It has been in private hands since the mid-1890s, and passed down through the subsequent generations.

The 1894 British Honduras One Dollar issued notes are prohibitively rare; only three pieces are known, including this one. The other two are the Pick plate note, which is in abysmal condition, and one in private hands which is reputed to be part of an unprecedented, private British Honduras collection. No issued example of any of the five higher values has ever come to light.

First issue British Honduras notes in any form are conspicuously absent from virtually all of the world's greatest collections. An issued 1894 example such as this one clearly rivals in rarity, exclusivity, and desirability even such major pieces as the vaunted Zanzibar notes.

The 1894 British Honduras issue was withdrawn and destroyed after only two months, while the Zanzibar series ran for twenty years. Also, the note issuance for British Honduras was scaled for an insignificant colonial backwater with a miniscule population and economy, while Zanzibar for centuries was one of the world's major spice sources and slave exporters, and also an international seaport at the nexus of the trade routes of Africa, Arabia, India, and the Orient. And finally, this One Dollar 1894 British Honduras note is the one single issued example in the PMG population report, in contrast to the much more numerous Zanzibar pieces.

In establishing an estimate for this extraordinary note, we have opted not to key it to the price we achieved last year for a Zanzibar 5 Rupee note (\$129,250) but rather, as always, to watch as you, our esteemed bidders, take charge.

PMG Very Fine 20 Net. Ink Stamp. Splits, Minor Rust. \$30,000 to \$50,000

Balanced centering and elaborate manuscript signatures present. The note is signed by E.(nerst) B.(ickham) Sweet-Escott, as Colonial Secretary (later Governor) of British Honduras. Additional signatures are C.(arlos) Melhado, and H.(enry) C.(harles) Usher.

Stylized floral borders, intricate lathe work, including floral pattern, and stars within circles. The Crown above CC (Crown Colony) watermarks. PMG mentions splits and rust in the comments section; they are more noticeable on the reverse. They also mention an "ink stamp." PMG did not realize that this stamp is officially printed, indicating city of issue, Belize, and the date, OC(tober) 17, (18)94. The left margin is serrated where the counterfoil was once attached.

PROVENANCE

Seldom does Stack's Bowers Galleries have the privilege and satisfaction of presenting a note of such impeccable, unbroken, important provenance. Albert E. Morlan was the American Consul in the city of Belize, British Honduras through two appointments in the late 19th Century.

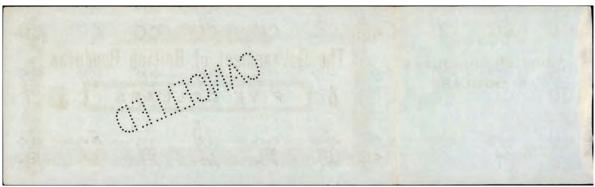

Albert Edmund Morlan was born in 1850, into a well-to-do Quaker family. Their fortune was destroyed in the Panic of 1857, and his father died when Albert was sixteen. At age 21, he apprenticed with a German jeweler, learning that language along with the trade. At 22, he began work in New Orleans, where he became proficient in French. At 29, he set up a jewelry and general merchandise business in Belize City, and in 1882, based on his sterling ("NPI") reputation, he was appointed U. S. Consul there by President Chester A. Arthur.

He resigned his post in order to re-establish his business in New Orleans, with branches in Central America, including in Belize. In 1895, President Grover Cleveland re-appointed him as consul, where he distinguished himself and his office by submitting to the U. S. Government his insightful reports on trade, by facilitating varied commercial initiatives in Belize by American businesses, and by promoting bi-lateral export and import between British Honduras and the United States. He became widely well-known in the highest political, business, and social circles for his engaging personality and language skills, and thereby created much good will toward the United States, a commodity often in short supply in Central America.

The paper money collecting community is fortunate that Consul Morlan was present during the ephemeral life of the 1894 note emission, and safeguarded this extraordinary example for posterity. At his death in 1926, this note was bequeathed by him to his son, Edward Morlan, and from Edward to his son, Charles Morlan, and from Charles to his daughter, our consignor and great granddaughter of Albert.

Extraordinarily Rare 1894 Five Dollar British Honduras Specimen

BRITISH HONDURAS
5 DOLLARS

BRITISH HONDURAS

Government of British Honduras. 5 Dollars, 1894. P-3s. Specimen. Stacks Bowers Galleries is thrilled to follow the prohibitively rare issued British Honduras One Dollar note with an even rarer specimen Five Dollars of the same 1894 first emission. We have verified only two 1894 Five Dollar specimens ever presented; this one is by far the finer of the two.

As with the issued One Dollar in the prior lot, this Five Dollar note has been held privately for decades, and as the One Dollar, also is presented publicly here for the first time. An issued and a specimen example have never been offered together in the same sale, and we are proud to be the first auction house to present not one, but two possibilities for distinguished powerful collections to showcase each of these notes. Although the general collecting community may not yet be fully aware of the exceptional rarity of this series, the simple fact is that virtually no collection, even the most advanced, can boast of a first issue British Honduras note. Such an opportunity is as rare as the notes themselves.

Immediately apparent as an identifying characteristic of the 1894 first issue is "The Government of British Honduras" printed in a straight line. An equally obvious indicator when held to light, the multiple rows of "crowned CC" watermarks are a diagnostic occurring exclusively in this first issue, and never again used for British Honduras notes. Additionally, many other design details of the short-lived first issue belong uniquely to this 1894 Type. They are clearly altered in the very different next issue, which began a mere two months later.

Only a trifling total number of whole examples are known of all denominations of the 1894 series. Please be aware that all are either issued notes or specimens. All specimens are identified by the word "cancelled" diagonally perforated across the body of the note, and if complete, the presence of the counterfoil. Any reference to "remainders" is erroneous, as they do not exist.

The counterfoil of this specimen was to be permanently attached by its left edge to the emission's ledger record. If the note were to be issued, the counterfoil would have been imprinted with the same serial letter and number as the note, which would then be detached at its perforated edge and placed into circulation. Luckily for connoisseurs of magnificent quality notes, this example was destined to be protected from that fate and preserved in nearly pristine specimen form. We will conservatively grade it a bright and unmarked Extremely Fine or better.

This 1912 50 Dollar note shows with 'Juanita,' a desirable vignette, at left holding a feather over her head. The right side pictures a vignette of the Quebec Citadel. A green hue permeates from the center of the note. The reverse shows an entirely green design with the Greek Key playing a big factor in connecting the 50 obligations that are protected by

The back design also shows a cornice with the bank name 'Union Bank of Canada' at center. Outside of some minimal handling that accounts for the grade, there are no issues to report. Scarce Banco Santiago 100 Pesos

CHILE

30128 Banco de Santiago. 100 Pesos, ND (1884). P-S417s. Specimen. Specimen. Printed by ABNC. Of the mere three examples on the PMG population report, this piece is significantly better than the other two, and subsequently the finest known. The note shows unaffected by the pinholes and small handling in the counterfoil. Gorgeous vignettes including a bird, children, allegorical women, and a cardinal. Fully original with bold inks, and impressions.

CHINA-REPUBLIC

30129 Bank of China. 5 Dollars, 1912. P-26r. Remainder. (S/M#C294-31r) Yunnan. A remarkable piece that shows here in an Uncirculated state. Strong color and detail throughout with additional square overprinted seal at center. Part of one of the most heavily collected series from the Bank of China.

PMG Choice Uncirculated 64. \$2,500-\$3,000

30130 Bank of China. 5 Dollars, 1912. P-27r. Remainder. PMG incorrectly labeled the holder at Pick 26r, when it is in fact Pick 27r. A very tough note in this grade, as we have only found records of low circulated examples being offering. This Huang-ti note is one of the tougher notes from the bank and should receive quite a bit of attention.

COSTA RICA

30141 Republica de Costa Rica. 50 Colones, ND (1917). P-150s. Specimen. A tough Costa Rican specimen with the appeal of a gem. A tough of circulation, that doesn't really go through the entire design, but we conservatively grade the note Choice AU for good measure. An assortment of Cuban notes in mostly AU/UNC condition but they range in the spectrum from VF to UNC. We are opening this lot at a bargain price, as the esteemed collector of this lot cites "the desire to pass on the joy of these pieces to another collector" as his reason for letting the lot go.

Very Fine to Uncirculated......\$500-\$1,000

30147 Banco Central. 1 Peso, 1995. P-114s. Specimen. A very rare Cuban Specimen, and the first that we have handled. CZECHOSLOVAKIA

30148 State Bank. 100 Korun, 1951. P-76. Printed by STCP. A note we don't handle often, especially in Uncirculated condition. Centered well, but earthquaking in the bottom margin that does not interfere with the design accounts for the grade.

DANISH WEST INDIES

30149 State Treasury. 2 Dalere, 1849. P-1r. Remainder. Remainder. A tougher Danish West Indies Remainder. Upon closer examination, we cannot tell through the holder why the note did not receive an EPQ surgrade.

Very Scarce High Denom 500 Kroner

30152 Danmarks National Bank. 500 Kroner, 1939. P-34a. An exciting offering, and the highest denomination of this heavily collected series from Denmark. The design was offered in a 1939, and 1941 date, with this one carrying the earlier 1939 date. A vignette of a farmer plowing, with horses strolling in the field, and birds flying in the background seen at the center. This is above and beyond the finest issued example we have handled, and given the absence of any uncirculated pieces on the PMG pop report, it is likely it will remain the nicest we offer for quite some time.

A very scarce design that never saw circulation, and the first we have handled for type. 4 POC's in the signature panel, with two red specimen overprints. The specimen number on the top selvage was printed twice, which appears to be a result of a misprint on the first attempt. Allegorical woman seated- at center. The reverse shows significant lathe work surrounding the obligation. Excellent embossing.

GREENLAND

30213 Danish Administration. 12 Skilling, 1803. P-A1. (Sieg-1) No. 724. An extremely important first catalog number for Greenland which is a piece that seldom appears at public sale. The note is among the finest known and shows detail not expected for the series. Deeply embossed inks make up the basic design and well defined penned details are welcomed. The note shows with only minimal circulation with a single vertical fold at center and a bit of soiling on the reverse. A minor tear is noted on the holder which can be seen in the top margin.

This note is barely handled and retains mostly original paper and vibrant color. A great way to illustrate the type and save a premium of the price of a Gem as we cannot see what held the note back from a 65 beside the left to right margin.

Biglietto di Stato. 25 Lire, 1896. P-24a. (BI.105) This challenging note is one that is often seen in much lower grades with several problems. This note is completely the opposite in a highly attractive EF grade with even circulation. Embossed serial numbers are seen along with crisp detail of the entire design. Nice centering also add to the appeal. Internal tears and repairs in the left and right margin noted on the holder. Of the mere 3 pieces certified by PMG, the finest they have certified is a VF 30. Both this lot and the lot after which runs consecutive in serial number, are much nicer than that. HIGHLY scarce this nice.

PCGS Extremely Fine 45.....\$2,000-\$3,000

30292 Biglietto di Stato. 25 Lire, 1896. P-24a. A piece that runs consecutive to the prior lot, and is also in finer condition than any note certified by PMG. A bright and attractive piece, and its certainly plausible we will not offer these early issue pieces this nice again.

Original Large Size 500 Lire

Banca d'Italia. 500 Lire, 1950 Issue. P-90. A very special offering of this already extremely rare design seen here in an astounding PMG About Uncirculated 50EPQ holder. According to the PMG census, this is the finest known piece. All of the previously offered examples of this note that we have found have been significantly circulated, folded, and handled which makes sense given the note's larger size. With low VF examples fetching \$3,000 and above, we believe our estimate to be conservative.

PHILIPPINES

30382 Treasury Certificate. 100 Pesos, ND (1944). P-100as. Replacement Specimen. This astonishing specimenreplacement hybrid piece, is the only note we have seen or offered of the variety. It is beyond a near impossible challenge to find this note in either specimen or replacement form. Magellan imaged at right. This note is near gem, with bright blue inks and a soft yellow hue under the 100 obligation at center. Low Serial Number 161★.

This is a Replacement Specimen of the first Pick 100a variety with "Auditor General" signature title at right instead of the later varieties that are found with a Treasurer panel.

Perforated SPECIMEN seen at the bottom of the design within the "One Hundred Pesos" obligation banner. Victory overprint on the reverse. We have conservatively estimated this ultra rare piece, and thus would not be surprised to see this note hammer way above our estimate. This is the highest denomination of the series that we are offering in this Replacement Specimen variety. A rare opportunity for a seasoned collector to acquire a truly mystical anomalous piece.

PHILIPPINES

30383 Bank Sentral Ng Philipinas. 100,000 Piso, 1998. P-190. This jaw dropping 100,000 Piso from the Central Bank of the Philippines is part of the Centennial of the First Republic Commemorative issues. Similar in size to the highly collectible Ming Dynasty Pick AA10 notes, this very pleasing piece is seen without any hints of circulation and boardwalk margins. A piece made to commemorate the 100 Years of the First Republic, this note bears a Kalayaan Centennial Seal on both the face and the reverse. A shiny

100 Years of the First Republic, this note bears a Kalayaan Centennial Seal on both the face and the reverse. A shiny and silver Security Foil with holograms of the Centennial "100" design is observed in monogrammed fashion cascading down the strip.

The front image features a crowd greeting former Philippines President Fidel "Eddy" Valdez Ramos. The reverse shows what would follow that scene. Fidel Ramos is observed flying the Philippine flag in Cavite, at the Aguinaldo Shrine. Men seen on both side with their arms in the air, with the reverse showing hats flying in celebration.

The note is encapsulated in a clear case with screws in each corner, with a Certificate of Issuance that mentions that this piece is limited with only One Thousand being issued. Both the Note, and its Certificate are placed in a decorative velvet box of the Philippine colors blue and red. The seal of the Central Bank is seen on the inside of the top of the box. The Official Centennial Seal is seen on top of the box when closed. It is then wrapped in a white cover with a styrofoam inside of it, and tied together by decorative red and blue rope. We believe this piece will receive very spirited bidding as the majority of these pieces rest within the hands of diplomats and are not readily available for collectors.

PUERTO RICO

30390 Banco Espanol de Puerto Rico. 5 Pesos, 1896. P-26a. Printed by ABNC. Series D. This piece is one of the scant few available in issued form for the series and will certainly grab the attention of knowledgeable collectors. The first we have offered in many years and seen with attractive ink tones and detail for the grade. This is the finest graded example on the PMG population report. Queen Regent Maria Cristina pictured at left. Allegorical child pictured at right. This note was printed in with a few different dates, with this November

3rd, 1896 being one of the tougher dates to find. It is much more common to find the note with a "MAYAGUEZ" stamp at center, and exponentially more difficult to find it absent of a stamp or cancellation such as this in tact piece. PMG discloses staple holes in the comments section which is common for the type and ABNC issued Puerto Rico notes of that era.

SEYCHELLES

British Administration. 10 Rupees, 1954. P-12a. A very difficult early edition note in fully original and crisp paper. This is the finest of the type we have handled as they mostly come in low VF grades with tears and stains. This is surely to be missing in most Commonwealth collections at this level.

SOLOMON ISLANDS

30428 Government of the British Solomon Islands. 10 Shillings, 27.7.1921. P-2a. A very difficult 10 Shillings note from the 1916 series of the Solomon Islands. Close

inspection reveals the very well executed restoration which we feel with aid the note in future survival. One of just a pair PMG has graded and a very important opportunity for the advanced Commonwealth collector.

SPAIN

30431 Banco de España. 1000 Pesetas, 1931. P-84Aa. Printed by BWC. A very tough note to find in Gem. The last record we found of a 66 brought over \$3500 in a 2014 auction. Poet Jose Zorrilla pictured at left. An example we expect to garner quite a bit of interest from Spanish dealers and collectors due to increasing interest of pre-1950 notes from Spain.

PMG comments 'Staple Holes' on the

UNITED ARAB EMIRATES

30448 Currency Board. 1000 Dirhams, ND (1976). P-6s. Specimen. The highest denomination of this first issue series, offered separately from the other denominations in the lot prior. This note, the finest we have offered for the type, is extremely difficult to find in any form, specimen or issued, with the issued examples mostly being heavily circulated. Speaking to the rarity of the specimen, the PMG pop report

shows only two finer examples. An additional bonus is that this note shows with the TDLR stamps as opposed to most of the other pieces offered in prior auctions absent of those stamps. Pinholes mentioned in the comments section, which likely occurred while in the possession of the TDLR printing company.

While PMG mentions Large Tear and Margin Damage on the face proof of this pairing, the issues

Terms & Conditions

- 1. Auction Basics. This is a public auction sale ("Auction Sale") conducted by bonded auctioneers, Stack's Bowers Galleries or Stack's Bowers and Ponterio (hereinafter referred to as "Auctioneer" and at times as "Stack's Bowers"). Bidding in this Auction Sale constitutes acceptance by you ("Bidder") of all the Terms of Sale stated herein. Bidders may include consignors who may bid and purchase lots in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Stack's Bowers ("Consignor" or "Consignors"). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the Buyer's Premium charged to all other Buyers. Stack's Bowers reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Stack's Bowers may have direct or indirect interests in any of the lots in the auction and may collect commissions. THE TWO PRECEEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOG. Where the Consignor has repurchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Stack's Bowers reserves the right to so note in the prices realized or to omit a price from the prices realized. Stack's Bowers and its affiliates may bid for their own account at any auction. Stack's Bowers and its affiliates may have information about any lot that is not known publicly, and Stack's Bowers and its affiliates reserves the right to use such information, in a manner determined solely by them and for their benefit, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Stack's Bowers and its affiliates are not required to pay a Buyer's Premium, or other charges that other Bidders may be required to pay and may have access to information concerning the lots that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lots may carry a reserve ("Reserve"). A Reserve is a price or bid below which the Auctioneer will not sell an item or will repurchase on behalf of the Consignor or for Stack's Bowers. Reserves may be confidential and not disclosed. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent.
- 2. Descriptions and Grading. Bidder acknowledges that grading of most coins and currency in this Auction has been determined by independent grading services, and those that are not may be graded by Stack's Bowers. Grading of rare coins and currency is subjective and, even though grading has a material effect on the value of the coins and currency, grading may differ among independent grading services and among numismatists. Stack's Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Stack's Bowers and lot descriptions are based solely upon an examination of the coins and currency and are intended to identify coins and currency and note any perceived characteristics. However, coin grading and descriptions are subjective. Stack's Bowers does not warrant the accuracy of such grading or descriptions, nor do they in any way form the basis for any bid. All photographs in this catalog are of the actual items being sold but may not be the actual size or to scale.
- 3. The Bidding Process. The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent; a Bidder by mail, telephone, Internet or telefax; or any other participant in the Auction Sale. Bids must be for an entire lot and each lot constitutes a separate sale. All bids must be on increment as established by the Auctioneer, or half increment (a cut bid). Non-conforming bids will be rounded down to the nearest full increment and this rounded bid will be the bidder's high bid. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to accept or decline any bid, establish bid increments, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes, to exclude any bidder and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer's decision on all bidding disputes shall be binding and final. For the mail and Internet Bidder's protection, no "unlimited" or "buy" bids will be accepted. When identical bids are received for a lot, preference is given to the first

bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder, Telephone Bidder and Live Internet Bidder must bid higher than the highest mail bid to be awarded any lot. Cut bids are only accepted on bids greater than \$500 and each bidder may only execute one cut bid per lot. Bids will not be accepted from persons under eighteen (18) years of age without a parent's written consent which acknowledges the Terms of Sale herein and agrees to be bound thereby on behalf of the underage Bidder. The auction sale is complete when the Auctioneer so announces by the fall of the hammer or in any other customary manner.

THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction sale, either personally or through an agent ("Floor Bidders") should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, or through our live auction software receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale ("Telephone Bidders" and "Live Internet Bidders"). Except as otherwise expressly provided in these Terms of Sale, NO PURCHASED ITEMS MAY BE RETURNED FOR ANY REASON. All prospective Bidders who examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes to the lot(s). Stack's Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by such Bidder.

Certain auctions or auction sessions, will be conducted exclusively over the Internet, and bids will be accepted only from pre-registered Bidders.

STACK'S BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the Buyer, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake. Stack's Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Buyer has taken physical possession of the lot. No participant in the Auction Sale shall have a right to claim any damages, including consequential damages if a lot is withdrawn, even if the withdrawal occurs after the Auction Sale.

- 4. Bidder Registration Required. All persons seeking to bid must complete and sign a registration card either at the auction or online, or otherwise qualify to bid, as determined in the sole discretion of the Auctioneer. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to be bound by these Terms of Sale. This agreement shall be deemed to have been made and entered in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalog and Terms of Sale. Person appearing on the OFAC list are not eligible to bid.
- 5. Buyer's Premiums. A premium of twenty percent (20%) based upon the total amount of the hammer (minimum of \$20), will be added to all purchases of individual lots, regardless of affiliation with any group or organization (the "Buyer's Premium"). A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer's Premium.
- 6. Payment. Payment is due immediately upon the fall of the auctioneer's hammer. Payment is delinquent and in default if not received in full, in good funds, within fourteen (14) calendar days of the Auction Sale (the "Default Date"), without exception, time being of the essence. Unless otherwise agreed in writing prior to the Auction Sale, all auction sales are payable strictly in U.S. Dollars, Hong Kong Dollars or Chinese Renminbi. All invoices will be made in United States Dollars. If paying in Hong Kong Dollars or Chinese Renminbi, Buyer's invoices will be credited with the amount of U.S. Dollars received from Auctioneer's bank. Payments may be made by credit card, Paypal, Union Pay, check, wire transfer, money order and cashier's check. Cash transactions will be accepted in the sole discretion of Stack's Bowers, and if accepted, for any cash transaction or series of transactions exceeding \$10,000, a Treasury Form 8300 will be filed. Contact Stack's Bowers for wiring instructions before sending a wire. Bank wires sent from a foreign bank are subject to an international bank wire fee of \$35. We accept payment by Visa, MasterCard, American Express, Discover or Paypal for invoices up to \$2,500, with a maximum of \$10,000 in any 30 day period. All payments are subject to a clearing period. More than one such sale may take place at the option of Stack's Bowers. If Stack's Bowers resells the lots, Buyer agrees to pay for the reasonable cost of such sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloging and any other reasonable charges. Notice of the sale shall be by U.S.P.S. In addition, defaulting Buyers will be deemed to have granted to Stack's Bowers, its affiliates and assignees, a security interest in: (x) the purchased lots and their proceeds, and (y) such sums or other items and their proceeds, in the possession of Stack's Bowers, its affiliates or assignees, to secure

all indebtedness due to Stack's Bowers and its affiliated companies, plus all accrued expenses, carrying charges, seller's fees, attorney fees, and costs, until the indebtedness is paid in full. Buyer grants Stack's Bowers the right to file a UCC-1 financing statement for such items, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Stack's Bowers. If the auction invoice is not paid for in full by the Default Date, a carrying charge of oneand-one-half percent (1-1/2%) per month may be imposed on the unpaid amount until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOT THAT THE CONSIGNOR MAY HAVE AS OF THE AUCTION SALE DATE. ALL LOTS ARE SOLD "AS IS" AND WITH ALL FAULTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING, QUALITY, DESCRIPTION, CONDITION, AUTHENTICITY, AND PROVENANCE OF A LOT.

Terms & Conditions (cont.)

that there is a material error in the catalog description of a non-certified coin or currency or the coin or currency is not authentic, such lot may be returned, provided written notice is received by Stack's Bowers no later than seventy-two (72) hours of delivery of the lots in question, and such lots are returned and received by Stack's Bowers, in their original, sealed containers, no later than fourteen (14) calendar days after delivery, in the same condition the lot(s) were delivered to the Buyer, time being of the essence.

- c. If an item or items are returned pursuant to the terms herein, they must be housed in their original, sealed and unopened container.
- d. Late remittance or removal of any item from its original container, or altering a coin constitutes just cause for revocation of all return privileges.
- e. Grading or condition of rare coins and currency may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent grading services) may differ with the independent grading services opinion or interpretation of Stack's Bowers. Stack's Bowers shall not be bound by any prior, or subsequent opinion, determination or certification by any independent grading service.
- f. Questions regarding the minting of a coin as a "proof" or as a "business strike" relate to the method of manufacture and not to authenticity.
- g. All oral and written statements made by Stack's Bowers and its employees or agents (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Stack's Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Stack's Bowers reserves the right to vary or alter the Terms of Sale, either generally or with respect to specific persons or circumstances, in its sole discretion. Any variation or alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so.
- h. Stack's Bowers is acting as an auctioneer. Title to the lots purchased passes directly from the Consignor to the Buyer. Accordingly, Stack's Bowers is not making, and disclaims, any warranty of title.
- i. Bidders shall have no recourse against the Consignor for any reason whatso-ever
- j. Bidder acknowledges that the numismatic market is speculative, unregulated and volatile, and that coin prices may rise or fall over time. Stack's Bowers does not guarantee or represent that any customer buying for investment purposes will be able to sell for a profit in the future.
- k. Bidder acknowledges and agrees that neither Stack's Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be unimpaired, uninterrupted or error free and accordingly shall not be liable for such events.
- 11. Waiver and Release. Bidder, for himself, his heirs, agents, successors and assignees, generally and specifically waives and releases, and forever discharges Stack's Bowers, and its respective affiliates, parents, officers, directors, shareholders, agents, subsidiaries, employees, managers and members and each of them, and their respective successors and assignees from any and all claims, rights, demands and causes of actions and suits, of whatever kind or nature, including but not limited to claims based upon Auctioneer's negligence, whether in law or equity, tort or otherwise, whether known or unknown, suspected or unsuspected (a "Claim"), which Bidder may assert with respect to and/or arising out of, or in connection with any challenge to the title to or authenticity of any goods purchased, the sale itself, any lot bid upon or consigned, and/or the auction, except where such Claim is otherwise expressly authorized in these Terms of Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every Claim that may arise hereunder or be related to the Auction Sale, and Bidder hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."

12. Disputes. If a dispute arises concerning ownership of a lot or concerning proceeds of any sale, Stack's Bowers reserves the right to commence a statutory inter-pleader proceeding at the expense of the Consignor and Buyer and any other applicable party, and in such event shall be entitled to its reasonable attorneys' fees and costs. Stack's Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Stack's Bowers nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms of Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Stack's Bowers. The rights may not be assigned or transferred to any other person or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.

Any dispute arising out of or related to these Terms of Sale, the Auction Sale or any lot, with the sole exception of actions by Stack's Bowers to collect amounts owed to it and other damages, shall be submitted to binding arbitration pursuant to the commercial arbitration rules of the American Arbitration Association, with any arbitration hearing to occur in Orange County, California. Absent an agreement of the parties, the arbitrator shall limit discovery to that which is necessary to enable the hearing to proceed efficiently. The arbitrator shall not have the power to award punitive or consequential damages, nor alter, amend modify any of the terms of this Agreement. The award by the arbitrator, if any, may be entered in any court having jurisdiction thereof. Each party shall pay one-half the costs of the arbitration. Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive in personam jurisdiction, subject to the requirement to arbitrate, over any dispute(s) arising hereunder, regardless of any party's current or future residence or domicile. Bidder further agrees that venue of the arbitration proceeding shall be in Orange County, California; and any court proceeding shall be in the Orange County Superior Court, in the State of California, and in each case waive any claim of Forum Non Conveniens. Bidder agrees that any arbitration or legal action with respect to this Auction Sale is barred unless commenced within one (1) year of the date of this Auction Sale. AUCTION PARTICIPANTS EXPRESSLY WAIVE ANY RIGHT TO TRIAL BY JURY.

13. General Terms. These Terms and Conditions of Auction Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of California, regardless of the location of the Auction Sale. These Terms of Sale and the information on the Stack's Bowers' website constitute the entire agreement between the parties hereto on the subject matter hereof and supersede all other agreements, understandings, warranties and representations concerning the subject matter hereof. If any section of these Terms of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Stack's Bowers may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.

14. Chinese Translation. The Chinese translations are provided as a matter of convenience. In the event of a conflict, all English Terms and Conditions and lot descriptions take precedence and are binding.

Bidding in this auction sale constitutes unconditional acceptance by the Bidder of the foregoing terms of sale.

Please note: Transparent holders in which the auction lots are stored are to facilitate viewing and inspection of the lots and ARE NOT for long-term storage.
